

Das Moon, GONE

I'm tired of this
I'm tired of playing
I go to sleep
deep sleep I'm craving

I cry I moan
I hope you'll get
free ride back home
I hope it ends

so please go away
it's for the better
I'm tired of playing
be gone forever

I'm tired of you
I'm tired of playing
with you so close
giving me pain

I cry I moan
I hope I'll get
a chance to be
with another man

so please go away
it's for the better
I'm tired of playing
be gone forever
