

Das Moon, Run

she tries so hard
she is your friend
so close to the heart
she is

she tries so hard
she pushes others back
she builds a house
with no doors but with snares

run prey run prey run
on the kitchen floor
run prey run prey run
like never before
hide prey hide prey hide
hide, under the bed
die prey die prey die
caught in deadly snares!

run prey lie prey
on the kitchen floor
run prey run prey
like never before
hide away, hide
die prey die prey
