

# Das Moon, Run

she tries so hard  
she is your friend  
so close to the heart  
she is

she tries so hard  
she pushes others back  
she builds a house  
with no doors but with snares

run prey run prey run  
on the kitchen floor  
run prey run prey run  
like never before  
hide prey hide prey hide  
hide, under the bed  
die prey die prey die  
caught in deadly snares!

run prey lie prey  
on the kitchen floor  
run prey run prey  
like never before  
hide away, hide  
die prey die prey
