Das Moon, Run

she tries so hard she is your friend so close to the heart she is

she tries so hard she pushes others back she builds a house with no doors but with snares

run prey run prey run on the kitchen floor run prey run prey run like never before hide prey hide prey hide hide, under the bed die prey die prey die caught in deadly snares!

run prey lie prey on the kitchen floor run prey run prey like never before hide away, hide die prey die prey
