Dash Channel, Unspoken

Seems you are my closest friend There?s no ears for what I care I?m afraid of the weight of those words so I won?t talk anymore what I think is my load

I?m not lying I?m not telling the truth and what I?m trying to do Is to make things good

What?s been told will grow up strong I?m conditioned by my tongue Naming hurts me, Words define what we see, it?s been taught to see And what we feel is unspoken

I?m not lying I?m not telling the truth What I?m trying to do Is to make things good

So don?t ask me the right question now I?ll be fine till I tell you What?s the point of us
