

Dave Dudley, If It Feels Good Do It

Some folks call me a laughin' boy some say I'm a clown
But till you've tried my way of life don't ever put it down
And if it feels good do it if it hurts just let it lie
Now there's no mistery to it just a better way to look at life

Some folks worry bout growin' old but that don't bother me
Old age is one thing I hope that I live long enough to see
Forget your disappointments pretend they wasn't there
But when they pass out happiness be sure you get your share
And if it feels good...

[guitar]

One day when I'm old and gray lookin' back at what I've done
I can face the world and say that livin' sure was fun
And if it feels good...
And if it feels good...
