David Archuleta, Thousand miles

Making my way downtown Walking fast Faces passed And Im home bound Staring blankly ahead Just making my way Making my way Through the crowd Now I need you Now I miss you And now I wonder.... (chorus) If I could fall Into the sky Do you think time Would pass me by Cause you know Id walk A thousand miles If I could Just see you... Tonight Its always times like these When I think of you And I wonder If you ever Think of me Cause everythings so wrong And I dont belong Living in your Precious memories Cause I need you Now I miss you And now I wonder.... (chorus) If I could fall Into the sky Do you think time Would pass me by Cause you know ld walk A thousand miles If I could Just see you... Tonight And I, I Dont want to let you know Drown in your memory 1, 1 Dont want to let this go 1, 1 Dont.... Making my way downtown Walking fast Faces passed And Im home bound Staring blankly ahead Just making my way Making my way Through the crowd Now I still need you

Now I still miss you And now I wonder....

If I could fall Into the sky

Do you think time
Would pass us by
Cause you know Id walk
A thousand miles
If I could
Just see you...
If I could fall
Into the sky
Do you think time
Would pass me by
Cause you know Id walk
A thousand miles
If I could
Just see you...
If I could
Just hold you
Tonight
