Miscellaneous
5:15 The Angels Have Gone
5:15

I'm changing trains
This little town
Let me down
This foreign rain
Brings me down
5:15
Train overdue
Angels have gone
No ticket
I'm jumping tracks
I'm changing time

CHORUS

We never talk anymore
Forever I will adore only you

5:15
All of my life
Angels have gone
I'm changing trains
Angels like them
Thin on the ground
All of my life
All legs and wings
Swings turn the eyes

5:15
Train overdue
Angels have gone

CHORUS

Cold station all of my life
Forever I fear
