

# David Bowie, Cat People (Putting Out The Fire)

See these eyes so green  
I can stare for a thousand years  
Colder than the moon  
It's been so long  
And I've been putting out fire  
With gasoline

Feel my blood enraged  
It's just the fear of losing you  
Don't you know my name  
Well, you been so long

See these eyes so red  
Red like jungle burning bright  
Those who feel me near  
Pull the blinds and change their minds  
It's been so long

Still this pulsing night  
A plague I call a heartbeat  
Just be still with me  
Ya wouldn't believe what I've been thru  
You've been so long  
Well it's been so long  
And I've been putting out fire  
with gasoline  
putting out fire  
with gasoline

See these tears so blue  
An ageless heart  
that can never mend  
These tears can never dry  
A judgement made  
can never bend  
See these eyes so green  
I can stare for a thousand years  
Just be still with me  
You wouldn't believe what I've been thru

You've been so long  
Well, it's been so long  
And I've been putting out fire  
with gasoline  
putting out fire with gasoline
