David Bowie, Laughing Gnome

No one can blame you for walking away But too much rejection, uh huh... No love injection Life can be easy It's not always swell Don't tell me truth hurts, little girl 'cause it hurts like hell But down in the underground You'll find someone true Down in the Underground A land serene, a crystal moon A-ha It's only forever Not long at all Lost and Lonely That's underground, underground Daddy, daddy, get me out of here Heard about a place today Nothing ever hurts again repeat Sister, sister, please take me down, gotta get underground
