

# David Bowie, Time

Time - He's waiting in the wings  
He speaks of senseless things  
His script is you and me boys

Time - He flexes like a whore  
Falls wanking to the floor  
His trick is you and me, boy

Time - In Quaaludes and red wine  
Demanding Billy Dolls  
And other friends of mine  
Take your time

The sniper in the brain, regurgitating drain  
Incestuous and vain,  
and many other last names  
I look at my watch it say 9:25 and I think  
"Oh God I'm still alive"

We should be on by now [x2]  
La, la, la, la, la, la, la, la [repeat]

You - are not a victim  
You - just scream with boredom  
You - are not evicting time

Chimes - Goddamn, you're looking old  
You'll freeze and catch a cold  
'Cause you've left your coat behind  
Take your time

Breaking up is hard, but keeping dark is hateful  
I had so many dreams,  
I had so many breakthroughs  
But you, my love, were kind, but love has left you  
dreamless  
The door to dreams was closed.  
Your park was real dreamless  
Perhaps you're smiling now,  
smiling through this darkness  
But all I had to give was the guilt for dreaming

We should be on by now [x5]  
La, la, la, la, la, la, la, la [repeat]

Yeah, time!
