David Bowie, Time

Time - He's waiting in the wings He speaks of senseless things His script is you and me boys

Time - He flexes like a whore Falls wanking to the floor His trick is you and me, boy

Time - In Quaaludes and red wine Demanding Billy Dolls And other friends of mine Take your time

The sniper in the brain, regurgitating drain Incestuous and vain, and many other last names I look at my watch it say 9:25 and I think "Oh God I'm still alive"

We should be on by now [x2] La, la, la, la, la, la, la [repeat]

You - are not a victim
You - just scream with boredom
You - are not evicting time

Chimes - Goddamn, you're looking old You'll freeze and catch a cold 'Cause you've left your coat behind Take your time

Breaking up is hard, but keeping dark is hateful I had so many dreams, I had so many breakthroughs
But you, my love, were kind, but love has left you dreamless
The door to dreams was closed.
Your park was real dreamless
Perhaps you're smiling now, smiling through this darkness
But all I had to give was the guilt for dreaming

We should be on by now [x5] La, la, la, la, la, la, la [repeat]

Yeah, time!
