

David Byrne, Like Humans Do (Radio Version)

well millions of years
and millions of homes
a man loved a woman
a child it was born
it learned how to hurt and it learned how to cry
like humans do

im breathin in, im breathin out
ohhh
so slip inside this funky house
ohhhhh
dishes in the sink
tvs in repair
dont look at the floor
dont go up the stairs

im achein
im shakin
im breakin
like humans do
im achein
im shakin
im breakin
like humans do

i work and i sleep and i dance and im there
im eatin and laughin im lovin myself
were eatin off plates and we kiss with our tounge

im breathin in, im breathin out
ohhh
so slip inside this funky house
ohhhhh
dishes in the sink
tvs in repair
dont look at the floor
dont go up the stairs

im achein
im shakin
im breakin
like humans do
im achein
im shakin
im breakin
like humans do

im breathin in, im breathin out
ohhh
so slip inside this funky house
ohhhhh
giggle while you work
anybody can
the rain is pourin in
on woman and man

im achin
im shakin
im breakin
like humans do
im achein
im shakin
im breakin
like humans do

im breathin in, im breathin out
ohhh
