

# David Crosby, Traction In The Rain

(David Crosby)

[Intro. (Acoustic Guitars)]

It's hard enough I know  
To find the strength to go  
Back to were  
It all began

It's hard enough to gain  
Any traction in the rain  
You know it's hard  
For me to understand

Hard to find a way  
To get through another city day  
Without thinking about  
Getting out

[Instrumental (Acoustic Guitars and Harp)]

Now the strangest thing I've seen  
Was a t-shirt turning green  
In envy of  
A turtle dove

The dove's lady was the cause  
Or maybe it was the olive branch  
She held in her claws  
Or maybe he could see they were in love

You know it's hard for me to find a way  
To get through another city day  
Without thinking about  
Getting out

[Instrumental Ending (Acoustic Guitars and Harp)]
