David Essex, Stardust

Ah look what they've done to the rock'n'roll clown Ah rock'n'roll clown, look he's down on the ground Well he used to high fly but he crashed out the sky In a stardust fling, hey rock 'n roll king is down

Roll on up, won't you come and take a look at me Roll on up, come one at a time, and see me See my painted-on grin as a stand up to sing In a stardust fling, hey rock'n'roll king is down

But he's the leader of the band He is a lonely man Don't you wanna take his hand Yes you know you can, can, can

Well he used to high fly but he crashed out the sky In a stardust fling, hey rock'n'roll king is down In a stardust fling, hey rock'n'roll king is down In a stardust fling, hey rock'n'roll king is down
