David Guetta, Dangerous Part 2 (ft. Trey Songz,

You take me down Spin me around You got me running all the lights Don't make a sound Talk to me now Let me inside your mind

Don't know what you're thinking, sugar But I just got that feeling sugar And I can hear sirens burning bad Lights turnings I can't turn now

So hold on tight I don't know where the lights are taking us But f*ck another night is dangerous And nothing's holding back the two of us But baby this is getting serious Detain the dangerous

Show me your soul I gotta know Bet that you're beautiful inside Toes are not grass Coming fast Come take the wheel and drive

I don't know what you're thinking, sugar But I just got that feeling sugar And I can hear sirens burning bad Lights turnings I can't turn now

So hold on tight
I don't know where the lights are taking us
But fuck another night is dangerous
And nothing's holding back the two of us
But baby this is getting serious
Detain the dangerous
Detain the dangerous

It's dangerous, so dangerous I wanna do it again Come on baby It's dangerous, so dangerous I wanna do it again It's dangerous, so dangerous I wanna do it again

I don't know where the lights are taking us But fuck another night is dangerous And nothing's holding back the two of us But baby this is getting serious Detain the dangerous Detain the dangerous
