

# David Guetta, Don't Leave Me Alone (ft Anne-Ma

i don't want ot lie  
can we be honest?  
right now while you're  
sitting on my chest  
I don't know what I do  
without your comfort  
if you realy go first  
if you really left

I don't know if I would be alive today  
with or without you  
like I night and day  
read and repeat evry conversation  
being with you everyday  
is a Saturday  
but every Sunday you've got me praying

don't you ever leave me  
don't you ever go  
I've seen it on TV  
I know how it goes

even if you angry  
even when I'm cold  
don't you ever leave me  
don't leave me alone

i don't want to call  
and you don't answer  
never see your face light up my phone  
never see your singing tiny dancer  
every time my heads hurts  
every time I'm low

because I don't know if I would be alive today  
with or without you  
like I night and day  
everything about you are complicated  
here with you everyday is a Saturday

read and repeat evry conversation  
being with you everyday  
is a Saturday  
but every Sunday you've got me praying  
but every Sunday you've got me praying

don't you ever leave me  
don't you ever go  
I've seen it on TV  
I know how it goes

even if you angry  
even when I'm cold  
don't you ever leave me  
don't leave me alone

don't you ever leave me  
don't you ever go  
don't you ever leave me  
no!
