David Guetta, Love Is Gone

What are we supposed to do After all that we've been through Where everything that felt so right is wrong Now that the love is gone

There is nothing else to proof Now you still deny the simple truth Can't find the reason to keep holding on Now that love is gone

There is nothing else to proof Now you still deny the simple truth Can't find the reason to keep holding on Now that love is gone Love is gone... Love is gone... Love is gone... Love is gone...

Love is gone... Love is gone... Love is gone...

Now that the love is gone The love felt so right so wrong Now that the love is gone

I feel so hurt inside Feel so hurt inside Got to find a reason

What are we supposed to do After all that we've been through Where everything that felt so right is wrong Now that the love is gone

There is nothing else to proof Now you still deny the simple truth Can't find the reason to keep holding on Now that love is gone Love is gone...

Got to find a reason To hold on

Love... There's nothing left for us to say Love... Why can't we gently walk away

What are we supposed to do After all that we've been through Where everything that felt so right is wrong Now that the love is gone

There is nothing else to proof Now you still deny the simple truth Can't find the reason to keep holding on Now that love is gone Love is gone... What are we supposed to do After all that we've been through Where everything that felt so right is wrong Now that the love is gone Love is gone...
