

# David Guetta, Love Is Gone (Original Mix)

Now that the love is gone!

What are we supposed to do?  
After all that we've been through  
When everything that felt so right is wrong  
Now that the love is gone (love is gone)

(Chorus)  
What are we supposed to do?  
After all that we've been through  
When everything that felt so right is wrong  
Now that the love is gone

There is nothing left to prove  
No use to deny this simple truth  
Can't find the reason to keep holding on  
Now that the love is gone (love is gone)

Now that the love is gone  
What felt so right's so wrong  
Now that the love is gone

I feel so hurt inside  
Feel so hurt inside  
Got to find the reason

(Chorus)

Got to find a reason, got to find a reason... (Repeat)  
Got to find a reason to hold!!

Love  
There's nothing left for us to say (yeah)  
Love  
Why can't we turn and walk away

(Chorus x2)

Love is Gone!
