

# David Guetta, One Love

Can anybody help me im outta plans guess I left my world in somebody's hands I don't like to hurt

Now here we stay its all that were worth I've been thru the pain and been dragged thru the dirt wha  
Because were survivors were making it work expecting the best when they hope for the worst

One love - this is the way we found  
One love - even though they'll let you down  
One love - nobody's perfect now  
One love - don't let that hold u down  
One love - lets stick together now  
One love - we got to stand our ground  
One love - its easy to believe in  
One love - believe in u and me  
Onee love

Now I cud try and fix this all by myself but I know it'd turn out better if u help no one likes to hurt bu  
Now here we stay its all that were worth I've been thru the pain and been dragged thru the dirt wha  
Because where survivors were making it work expecting the best when they hope for the worst
