

David Guetta, This One's For You Poland (ft. Zara

We were born to fly
So let's keep living till it all falls down
Let's close our eyes
And let the moment drive the whole World out

We are in this together
Hear our hearts beat together
We stand strong together
We are in this forever
This one's for you
This one's for you

Waving colored flags
We won't surrender, there is no standing down
There's a playing field
It's full of winners, we are breaking new ground

We are in this together
Hear our hearts beat together
We stand strong together
We are in this forever
This one's for you
This one's for you
