

# David Guetta, What I Did for Love (feat. Emeli Sa

Talking loud, talking crazy,  
Locked me outside,  
Prayin' for the rain to come,  
Bone dry again,  
Guess it's true what they say,  
I'm always late,  
Say you need a little space,  
That I'm in your way...

It hurts, but I remember every scar,  
And I've learned,  
But living is the hardest part...

I can't believe what I did for love,  
I can't believe what I did for us,  
Oh, crash and we burn into flames,  
Stitch myself up, and we do it again,  
I can't believe what I did for love,  
What I did for love...

What I did for love,  
What I did for love,  
What I did for love,  
What I did for us...

I'm a fool for your games,  
But I always play,  
Can't admit it was a waste,  
There's too much a stake...

It hurts, but I remember every start,  
And I've learned,  
But living is the hardest part...

I can't believe what I did for love,  
I can't believe what I did for us,  
Oh, crash and we burn into flames,  
Stitch myself up, and we do it again,  
I can't believe what I did for love,  
What I did for love...

What I did for love,  
What I did for us,  
What I did for love,  
What I did for love,

I can't believe what I did for love...
