

# Dawid Kwiatkowski, BAD HABITS

Drop that cigarette  
All escape, movin  
Got roses on my neck  
First show

Give up all the rest  
I'm feeling lousy  
Got roses on my bad  
For you

Spending dollar bills  
On the wrong tape of woman  
Spending all the bills  
Gonna ruined me

.. on my shows  
.. noise  
What I'm doing  
Everybody ..  
But we're human

Maybe we can break  
My bad  
My bad  
My bad  
My bad  
My bad  
Habits  
Or Maybe we can  
oo  
Oo  
Oo  
Maybe we can  
oo  
Oo  
Oo

Drop that cigarette  
All escape, movin  
Got roses on my neck  
First show

Can you be with me  
Dream with me  
... of mind  
I can read your mind

Can you be with me  
We got to find the way
