

# Dawid Kwiatkowski, COUNTDOWN

I know  
Wakening up with you in my arms  
I know  
This in love .. for love  
And you  
You still think I could be the one  
But I don't think I could be the one  
For you, for you  
Cuz when it's good, it's good  
But when it's bad it's a disaster

So all that I can think about  
It that time is running out there

It's a COUNTDOWN  
COUNTDOWN  
COUNTDOWN

So all that I can think about  
It that time is running out there

I feel  
Fort you so hard and broke my bones  
I feel  
You've never was right to help me up  
It's true  
I can't believe I was making planes  
I was ready to give my name  
To you, to you  
Cuz when it's good, it's good  
But when it's bad it's a disaster

So all that I can think about  
It that time is running out there

It's a COUNTDOWN  
COUNTDOWN  
COUNTDOWN

So all that I can think about  
It that time is running out there

I want to think about  
You don't wanna think about it  
I don't wanna think about it without you!  
I want to think about  
You don't wanna think about it  
I don't wanna think about it without you!
