

Dawid Podsiadło, No part II

It's the time to be honest
I wouldn't harm a fly
Give me love and protection
And together we'll stand by

I'll be sure it's forever
Every sunset will be ours
Joyful sounds of your letters
There's no need to hide

Sometimes simple is the hardest
Sometimes seconds last for days
Give me love and protection
I'm fulfilled 'till the end

I'll be sure it's forever
Every sunset will be ours
Joyful sounds of your letters
There's no need to hide
