

# Daya, Insomnia

cause I can't sleep without you  
no I don't want to dream about you  
wish I had my arms wrapped around you  
insomnia

I've been down for 2 days  
calling or PM ain't workin'  
losing track of time baby  
insomnia

my mind is runnin' too fast  
the shadows on the wall keep lurkin'  
I wish that you would come back  
insomnia

I keep on hoping to find you  
reaching in between the sheets  
baby, it's only been one night  
feel like it's been like a week  
tossing and turning /2x  
flipping the pillow  
pulling the curtains  
I got /3x

insomnia  
cause I can't sleep without you  
no I don't want to dream about you  
wish I had my arms wrapped around you  
insomnia

I can hear you voice now  
keeping me awake till morning  
can see you with the light out  
insomnia
