The world can't do me no harm (do me no harm)
Time's I've been wounded (uh huh)
My battle scars do show (well, well, well)
I'm going through the storm
I'm blind in rain, I'm goin' on in jesus' name

Lord, I got victory (hallelujah)
Over the enemy (glory, glory)
And the world, it can't do me no harm
(do me no harm)
