

Dead World, Dead World

A world of lies
In the shadow of ignorance
Veil of darkness
Mankind shall fall

Putrid decay
Of a slowly dying world
(death/the) sentence
Known between from nature

Humanity will crumble
Death becomes our question ...ations
H...s... in hystery
Cries to a (heart)

Where is your savior now?
(corpse) wide on concrete cross
(figure) a sense
In a past or distant future
