Death In Vegas, Consequences of Love (ft. Sash

There's a mirror
But you don't see it
There's a mirror
But you refused to see it
There's a mirror
Your reflection
Everything now you fight
My love
You don't see your reflection
Can't feel my vibration
What's between is your reflection
Infatuation

I only see you! You only see you! You only see you! You only see you

CONSEQUENCES OF LOVE OF LOVE CONSEQUENCES OF LOVE LOVE CONSEQUENCES OF LOVE

I want believe That you'll watching over me I want believe That I fall in my own portal

Nothing above love

In the end we have each other
