Debeli Precjednik, Ready To Fight

Hello, hello, hello!
We're alive, are you surprised?
A tooth for a tooth, an eye for an eye!
I know this can't be wrong
Tonight you're not alone
They want us down, facing the ground,
With our hands tied and our mouth shut
But now, tonight
We won't surrender without a fight
I know this can't be wrong
Did you ever felt so strong?
So better start believeing!

Everything is wrong, I'm gonna fight tonight for my own Better tomorrow

I'm walking tall, i'm up from the ground I'm really sick and tired of being pushed around

Waking up in the morning, With tears in my eyes I'm not gonna let that happen anymore I'm ready to fight! This is our night!

Everything is wrong, I'm gonna fight tonight for my own Better tomorrow

...because every day is a struggle
