

Deep Blue Something, Tonight

What was the point today
It didn't seem to have one
And I could wear anything
And I could be anything

Tonight I don't wanna feel wonderful
Tonight I don't wanna fell bad
Cause tonight will be the night of my dreams
Tonight I won't feel anything

And think the things we did
Took no time at all
Everything we ever did
Feels like a miracle

Tonight I don't wanna feel wonderful
Tonight I don't wanna fell bad
Cause tonight will be the night of my dreams
Tonight I won't feel anything

Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaaa
Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaaa
Naaaaaaaa Na Na Na Na Na Naaa
Tonight I don't feel anything

Tonight I don't wanna feel wonderful
Tonight I don't wanna fell bad
Cause tonight will be the night of my dreams
Tonight I won't feel anything

Tonight I don't wanna feel wonderful
Tonight I don't wanna fell bad
Cause tonight will be the night of my dreams
Tonight I won't feel anything

Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaaa
Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaaa
Naaaaaaa Na Na Na Na Na Naaaaaaa
Tonight I don't feel anything
