

# Deftones, Mein

Chino:

I've looked outside

But I've never wandered out

I'd like to pull you into me

Intercept you, in between

but I will never walk without, outside

Thatta way, outta the way, stay away from you (x2)

I've looked inside

but I never wandered in

I'd like to pull you into me

Intercept you, in between

But I will never wander in, inside

Thatta way, outta the way, stay away from you (x2)

Serj:

The universe, Breaking us down (x2)
