

# Deftones, Subliminal

Flashing pictures on my screen  
Shown too quickly too be seen  
Does not register in my conscious mind  
Propaganda of another kind

They're fucking with me subliminally! (2x)

Danger - Nightmare - Doomsday - Nightmare - Murder  
Nightmare - Nightmare - Nightmare  
Danger - Nightmare - Doomsday - Nightmare - Murder (2x)

They're fucking with me subliminally (4x)

Watching T.V. I start to cry  
For no reason, I don't know why  
Could it be from messages on my T.V.  
Which I'm getting subliminally...

They're fucking with me subliminally (4x)

Danger - Nightmare - Doomsday - Nightmare - Murder  
Nightmare - Nightmare - Nightmare  
Danger - Nightmare - Doomsday - Nightmare - Murder (2x)
