

# Deicide, Bastard Of Christ

Bastard of the cross relentlessly  
Strike fear preaching of his coming here  
Scriptures, twisted words to provoke  
Rapture from the lord your god so great

**BASTARDS OF CHRIST - DIE!!!!**

He fucked himself to save you - put to death, masochist  
For this his word berate truth - agonized, prophesized  
Revive the book of fiction - blasphemy, gluttony, to deceive you and me  
In battled disposition - hang the bitch on the cross  
Entitle his convictions - blasphemous, lunatic  
your heart is full of hatred - **BASTARDS DIE,**  
**FUCK YOUR CHRIST, WILL SURVIVE,**  
**KILL YOURSELF.....DIE!!!!!!!!!!!!!!**

[Lead: Brian]

Bastard, for your god you compromise  
Do without, search the truth you'll never find  
Scriptures offer little to relate  
Laughter from the lord into your face

**BASTARDS OF CHRIST - DIE!!!!**

You think your god will save who - I will see, just believe  
You fool, not true, no thank you - enemy of the cross  
His word installs deception - pray to god, not for me,  
for yourself, soon you'll see  
You'll die for your religion - holy shit, pacifist  
Untrue with choices given - nothing won, you are dead  
Describe the holy vision - **BLACKING OUT, FINAL BREATH, MEET WITH DEATH,**  
**NOTHINGNESS, DIE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**
