

# Deicide, Satan Spawn, The Caco-Daemon

[Originally released in 1992 on the album "Legion"]  
[4:26]

Shunned from the light  
Born into darkness never knowing  
Infant enshrined  
Spawn of the altar, crush mankind

Never will they see you lurking in my shadow  
Unbenign the hands of God  
Nummified existence, knower of the wicked  
Prophesizing flesh of me  
Daemon call thee ancient, travel unto Satan  
Bring a forth the blood red sea

Evil seed, injected  
Daemon freed, the calling  
Demon Lord, master  
Satan spawn, the Caco-Daemon

Satan spawn, the Caco-Daemon  
Satan spawn, the Caco-Daemon  
Satan spawn, the Caco-Daemon  
Satan spawn, the Caco-Daemon

Pulled back through time  
Existence of God you're never knowing  
Evil unwind  
Exit the womb, your life is mine

Never will they see you lurking in my shadow  
Unbenign the hands of God  
Nummified existence, knower of the wicked  
Prophesizing flesh of me  
Daemon call thee ancient, travel unto Satan  
Bring a forth the blood red sea

Evil seed, injected  
Daemon freed, the calling  
Demon Lord, master
