

Demi Lovato, Cool For The Summer

Tell me what you want
What you like
It's okay
I'mma little curious too
Tell me if it's wrong
If it's right
I don't care
I can keep a secret could, you?

Got my mind on your body
And your body on my mind
Got a taste for the cherry
I just need to take a bite
Don't tell your mother
Kiss one another
Die for each other
We're cool for the summer

Take me down into your paradise
Don't be scared cause I'm your body type
Just something that we wanna try
Cause you and I
We're cool for the summer

Tell me if I won
If I did
What's my prize?
I just wanna play with you, too
Even if they judge
Fuck it all
Do the time
I just wanna have some fun with you

Got my mind on your body
And your body on my mind
Got a taste for the cherry
I just need to take a bite
Don't tell your mother
Kiss one another
Die for each other
We're cool for the summer

Take me down into your paradise
Don't be scared cause I'm your body type
Just something that we wanna try
Cause you and I
We're cool for the summer
We're cool for the summer
We're cool for the summer

Don't tell your mother
Got my mind on your body
And your body on my mind
Got a taste for the cherry
I just need to take a bite

Take me down into your paradise
Don't be scared cause I'm your body type
Just something that we wanna try
Cause you and I
We're cool for the summer

Take me down
We're cool for the summer

(Don't be scared) Cause I'm your body type
Just something that we wanna try
Cause you and I
We're cool for the summer
We're cool for the summer
