

# Demi Lovato, Until You're Mine

My state of mind has finally got the best of me  
I need you next to me  
I'll try to find  
A way that I can get to you  
Just wanna get to you

The world I see is perfect now  
You're all around  
With you I can breath

{CHORUS}

Until you're mine  
I have to find a way to fill this hole inside  
I can't survive without you here by my side  
Until you're mine  
Not gonna be even close to complete  
I won't rest until you're mine, mine

Alone inside I can only hear your voice  
Ringing through the noise  
I can't find my mind, keeps on coming back to you  
Always back to you

Wanting something out of reach, it's killing me  
You're all I see, yeah

{CHORUS}

Until you're mine  
I have to find a way to fill this hole inside  
I can't survive without you here by my side  
Until you're mine  
Not gonna be even close to complete  
I won't rest until you're mine, mine

Just stop wondering  
If we were meant to be  
Forget about waiting, just hold me  
I'm ready to begin  
The waiting has to end  
Right now, today  
I've got to find a way, yeah  
Mine  
Until you're mine

{CHORUS}

Until you're mine  
I have to find a way to fill this hole inside  
I can't survive without you here by my side  
Until you're mine  
Not gonna be even close to complete  
I won't rest until you're mine

My state of mind has finally got the best of me  
I need you next to me
