

# Dennis Waterman, I Could Be So Good For You

If you want to, I'll change the-e situation  
Right people, right time, just the wrong location  
I've got a good idea, just you keep me near  
I'd be so goo-ood for you

I could be so good for you, I'm gonna help ya  
Love ya like you want me to  
I'd do anything for you-ou-ou  
I'd be so goo-ood for you  
I could be so good for you  
I'll do it like you want me to  
Love you like you want me to  
There ain't nothin' I can't go throu-ou-ou-ough  
I'd be so goo-ood for you

Sometime when you're feelin' like a poor relation  
Call on me and I'll give you more than conversation  
Take an' shake it, hey it's a deal  
And woh big brother I'll make you heal  
I'll be so goo-ood for you

I could be so good for you, I'll be right by your side  
Love you like you want me to  
There ain't nothin' you can hide from me  
I'd be so good for you  
I could be so good for you  
I'm your man, Love you like you want me to  
I'll tell you nothin', there ain't nothin', nothin' I cannot do  
I'll be so goo-ood for you

Don't ask me no questions, I'll tell ya no lies  
Use my shoulder to rest on  
I will be right by your side  
I will be your ear tonight

I could be so good for you, I'm the one you really need  
Love you like you want me to  
I can even help you brea-ea-ea-eathe  
I'll be so goo-ood for you  
I can make the good times roll, make 'em roll  
Love you with my heart and soul, That's right  
Ooh-oo-oo-oo, I'd be so goo-ood for you (fade)
