

# Department Of Eagles, Phantom Other

Alright, we'll do this your way  
Alright, we'll make it anyway  
Now'd be a good time  
To send us all away, man

So what would it take?  
What would it take  
&nbsp;to make you learn?  
And what would it take?  
What would it take  
&nbsp;to make you listen?

Oh man, you're not the only one  
Oh boy, with that phantom other on  
Now'd be the right time  
&nbsp;to send us all away  
It'd be a good time  
&nbsp;if you just go away, man

What would it take?  
What would it take  
&nbsp;to make you leave?  
What would it take?  
What would it take  
&nbsp;to make you listen?

My God in heaven  
&nbsp;what were we thinking?  
My God in heaven  
&nbsp;what were we thinking of?

Lookout, lookout  
We gotta get out  
Lookout, lookout  
We gotta get out

Wake up, wake up  
We gotta get out  
Wake up, wake up  
We gotta get out
