

# Depeche Mode, Gone

So tired so soon  
What happened to you  
What happened to you  
You got lost  
Somewhere between  
There and here  
Somewhere between  
So far so near  
You got lost  
Somewhere between  
What happened to you

Someone has been removed  
What happened to her  
What happened to her  
She got lost  
Somewhere between  
There and here  
Somewhere between  
So far so near  
She got lost  
Somewhere between  
What happened to her

You used to be so young  
Used to be so young  
It was going to take so long  
It had almost gone
