## Depeche Mode, Here Is The House

Here is the house
Where it all happened
Those tender moments
Under this roof
Body and soul come together
As we come closer together
And as it happens
It happens here
In this house

And I feel your warmth
And it feels like home
And there's someone
Calling on the telephone
Let's stay home
It's cold outside
And I have so much
To confide to you

With or without words I'll confide everything

Here is the house
Where it all happened
Those tender moments
Under this roof
Body and soul come together
As we come closer together
And as it happens
It happens here
In this house

So we stay at home And I'm by your side And you know What's going on inside Inside my heart Inside this house And I just want to Let it out for you

And I feel your warmth And it feels like home And I feel your warmth And it feels like home

Here is the house Where it all happened Those tender moments Under this roof Body and soul come together As we come closer together
