Depeche Mode, In A Manner Of Speaking

In a manner of speaking
I just want to say
That I could never forget the way
You told me everything
By saying nothing
In a manner of speaking
I don't understand
How love in silence becomes reprimand
But the way I feel about you
Is beyond words

Oh give me the words Give me the words That tell me nothing Oh give me the words Give me the words That tell me everything

In a manner of speaking Semantics won't do In this life that we live We only make do And the way that we feel Might have to be sacrificed

So in a manner of speaking I just want to say That like you I should find a way To tell you everything By saying nothing

Oh give me the words
Give me the words
That tell me nothing
Oh give me the words
Give me the words
