Depeche Mode, In Your Room (1994)

In your room Where time stands still Or moves at your will Will you let the morning come soon Or will you leave me lying here In your favourite darkness Your favourite half-light Your favourite consciousness Your favourite slave

In your room Where souls disappear Only you exist here Will you lead me to your armchair Or leave me lying here Your favourite innocence Your favourite prize Your favourite smile Your favourite slave

I'm hanging on your words Living on your breath Feeling with your skin Will I always be here

In your room Your burning eyes Cause flames to arise Will you let the fire die down soon Or will I always be here Your favourite passion Your favourite game Your favourite mirror Your favourite slave

I'm hanging on your words Living on your breath Feeling with your skin Will I always be here

Will I always be here
