## Depeche Mode, Just Can't Get Enough

When I'm with you baby I go out of my head And I just can't get enough And I just can't get enough All the things you do to me and everything you said I just can't get enough I just can't get enough We slip and slide as we fall in love And I just can't seem to get enough, ah We walk together we're walking down the street And I just can't get enough And I just can't get enough Everytime I think of you I know we have to meet I just can't get enough I just can't get enough It's getting harder it's a burning love And I just can't seem to get enough, ah I just can't get enough, I just can't get enough And when it rains you're shining down form e And I just can't get enough And I just can't get enough Just like a rainbow you know you set me free And I just can't get enough And I just can't get enough You're like an angel and you give me your love And I just can't seem to get enough, ah

I just can't get enough, I just can't get enough
