

# Depeche Mode, Shine

Put on your blindfold  
And a dress that's tight  
And come with me  
On a mystery night  
Open your eyes

Follow our stars under a painted sky  
We'll leave the world behind  
We're learning to fly  
We used to get by

Forget the pictures on your TV screen  
We'll steal the visions  
That you keep for your dreams  
You can turn me on

I was blind and I saw the light  
My angel coming  
In a brilliant white  
Shine for me

You've been hanging from a rope of mediocrity  
Strung up by your insecurities  
You can shine for me  
Somebody has to  
Shine for me  
It's difficult not to  
Shine for me

Follow our stars under a painted sky  
We'll leave the world behind  
We're learning to fly  
We used to get by

Forget the pictures on your TV screen  
We'll steal the visions  
That you keep for your dreams  
You can turn me on

You've been hanging from a rope of mediocrity  
Strung up by your insecurities  
You can shine for me  
Somebody has to  
Shine for me  
It's difficult not to  
Shine for me  
Somebody has to  
Shine for me  
It's difficult not to  
Shine for me
