

# Depeche Mode, Somebody

I want somebody to share  
Share the rest of my life  
Share my innermost thoughts  
Know my intimate details  
Someone who'll stand by my side  
And give me support  
And in return  
She'll get my support  
She will listen to me  
When I want to speak  
About the world we live in  
And life in general  
Though my views may be wrong  
They may even be perverted  
She will hear me out  
And won't easily be converted  
To my way of thinking  
In fact she'll often disagree  
But at the end of it all  
She will understand me

I want somebody who cares  
For me passionately  
With every thought and with every breath  
Someone who'll help me see things  
In a different light  
All the things I detest  
I will almost like  
I don't want to be tied  
To anyone's strings  
I'm carefully trying to steer clear  
Of those things  
But when I'm asleep  
I want somebody  
Who will put their arms around me  
And kiss me tenderly  
Though things like this  
Make me sick  
In a case like this  
I'll get away with it
