

# Depeche Mode, WHERE'S THE REVOLUTION

You've been kept down  
You've been pushed 'round  
You've been lied to  
You've been fed truths  
Who's making your decisions  
You or your religion  
Your government, your countries  
You patriotic junkies

Where's the revolution  
Come on people  
You're letting me down  
Where's the revolution  
Come on people  
You're letting me down

You've been pissed on  
For too long  
Your rights abused  
Your views refused  
They manipulate and threaten  
With terror as a weapon  
Scare you till you're stupefied  
Wear you down until you're on their side

Where's the revolution  
Come on people  
You're letting me down  
Where's the revolution  
Come on people  
You're letting me down

The train is coming  
The train is coming  
The train is coming  
The train is coming  
So get on board  
Get on board  
Get on board  
Get on board  
The engine's humming  
The engine's humming  
The engine's humming  
The engine's humming  
So get on board  
Get on board  
Get on board  
Get on board

Where's the revolution  
Come on people  
You're letting me down  
Where's the revolution  
Come on people  
You're letting me down
