

Derdian, DNA

I'm waking up, I am alive but I feel so strange
Something is wrong,
I can't recall what they've done but inside I 'm changed

All I remind is the invincible line of the enemies
I see my fall as if I'm living it now

But I'm here, I'm chained to this metal bed
I'm alive, what's happened that day?
Where am I now?
What is this iron room?
please, help me now!

"LOOK TO YOUR RIGHT"
I HEARD A VOICE INSIDE MY MIND
YOU WILL NO LONGER LIVE YOUR OLD LIFE
INSIDE YOUR CELLS THERE'S SOMETHING YOU GONNA PAY
YOUR D.N.A.!

I look to the right, I see the planet Earth through a glass
I'm in their starship out in space, I've been captured by alien scum
I try to get rid of these chains with all my strength
Four of them come to keep me immobilized here

With their claws they're clinging my bloody neck
Still alive, but don't know how longer
Where am I now?
What is this iron room?
please, wake me now from this nightmare!

"LOOK TO YOUR RIGHT"
I HEARD A VOICE INSIDE MY MIND
YOU WILL NO LONGER LIVE YOUR OLD LIFE
INSIDE YOUR CELLS THERE'S SOMETHING YOU GONNA PAY
"CRY, SUFFER, DIE!"
PAIN BENDS MY BONES AND BLINDS MY EYES
WHILE THEY'RE RECODING THE CODE OF LIFE
IS THIS MY TIME?
THERE'S SOMETHING I GONNA PAY:
MY D.N.A.!

Yes We know in your mind all is hazy and confused
what you're seeing is the distant future of your race
the plan will be revealed
Hybrid creature of space
Go now our alien son!

"LOOK TO YOUR RIGHT"
I HEARD A VOICE INSIDE MY MIND
YOU WILL NO LONGER LIVE YOUR OLD LIFE
INSIDE YOUR BLOOD...
"CRY, SUFFER, DIE!"
PAIN BENDS MY BONES AND BLINDS MY EYES
WHILE THEY'RE RECODING THE CODE OF LIFE
IS THIS MY TIME?
THERE'S SOMETHING I GONNA PAY:
MY D.N.A.!
