

Dermot Kennedy, Power Over Me

I wanna be king in your story
I wanna know who you are
I want your heart to be for me
Oh I,

want you to sing to me softly
cause then I;m outrunning the dark
that' all that love ever taught me

call and I'll rush out
all out of breath now

you've got the power over me
my my
everything I hold dear resides in those eyes
you've got the power over me
my my
the only one I know
the only one in my mind

remember the lake in the moonlight?
remember you shivered and stone?
I'll never forget what you looked like
on that night

and I know that time's gonna take me
I know that day's gonna come
I just want the devil to hate me
oh I

call and I'll rush out
all out of breath now

you've got the power over me
my my
everything I hold dear resides in those eyes
you've got the power over me
my my
the only one I know
the only one in my mind

it was all in doubt
they were all around

so we'll hide away and never tell
you decide if darkness knows you well
that lesson of love
all that it was
I need you to see

you've got the power over me
my my
everything I hold dear resides in those eyes
you've got the power over me
my my
the only one I know
the only one in my mind
