

# Dermot Kennedy, Power Over Me

I wanna be king in your story  
I wanna know who you are  
I want your heart to be for me  
Oh I,

want you to sing to me softly  
cause then I;m outrunning the dark  
that' all that love ever taught me

call and I'll rush out  
all out of breath now

you've got the power over me  
my my  
everything I hold dear resides in those eyes  
you've got the power over me  
my my  
the only one I know  
the only one in my mind

remember the lake in the moonlight?  
remember you shivered and stone?  
I'll never forget what you looked like  
on that night

and I know that time's gonna take me  
I know that day's gonna come  
I just want the devil to hate me  
oh I

call and I'll rush out  
all out of breath now

you've got the power over me  
my my  
everything I hold dear resides in those eyes  
you've got the power over me  
my my  
the only one I know  
the only one in my mind

it was all in doubt  
they were all around

so we'll hide away and never tell  
you decide if darkness knows you well  
that lesson of love  
all that it was  
I need you to see

you've got the power over me  
my my  
everything I hold dear resides in those eyes  
you've got the power over me  
my my  
the only one I know  
the only one in my mind
